JOSEPH NEAL STEAM ACADEMY 2025 - 2026 SUPPLY LIST

School supplies are vital to assist your child with multiple classroom assignments. In order to relieve some of your shopping burden, and to support each teachers' desired uniformity of items within the classroom, all teachers are helping with the supplies shopping list. We are trying to make certain that each child will have the materials that are essential for this school year, without any waste. We are specifically striving to help students with organization and study focus in the classroom. With this in mind, besides asking parents to purchase some requested items, we are asking for a small donation of money, per teacher's classroom. The teachers will strategically purchase hand-selected essentials that will be available for the students. We lessened the requested item list for parents and we desire to streamline the organization for every classroom. With the money families donate to the classroom, **TEACHERS** will now purchase specific colors, brands, and identified grade level materials needed. We are requesting your \$25 dollar donation to help in this endeavor! The supplies listed are **NOT** required, however, if you are able to provide the Grade Level specific classroom supplies AND a \$25 dollar donation, it is greatly appreciated and will help your child and teacher immensely throughout the year!

- *All students are required to utilize a full-size backpack. Place your child's name in their personal backpack. Rolling backpacks are **not** permitted on campus.
- *Students may bring a lunchbox or a sack lunch. Students may also receive a provided breakfast and lunch from school. Place your child's name in their lunchbox.
- *Mechanical or fancy pencils, fancy erasers, and sharpeners **are not permitted** in class. Students may leave these items at home for personal use.
- *Items considered as toys in class or items that later become a distraction to the learning environment will go home with students.
- *Please bring all of your classroom supplies and money donations to the school's Meet~n~Greet on August 8, 2025 from 1:30 3:00 PM. See you all there!
 - *Donations for supplies will be collected (by the teacher) throughout the first few weeks of school as well.

Thank you for your support, Neal Administration and Teachers
